PRODUCT DESCRIPTION

CUSHION BED WEDGE PURPOSE AND BENEFITS

The Cushion Bed Wedge is effectively a large angle adjustable wedge cushion for the body that supports the body to enable comfortable sleep in a more upright and raised position.

The new and improved Contoured bed wedge now comes with 2cm layer of memory foam on top of the product to give an even more superior comfort feel. This memory foam layer is removable if you are preferring firmer support. This added adjustable option gives another comfort choice to ensure maximum comfort and effect. This is best for [comfort positioning](#).

Choice of Cover:

- **Quilted** - Covered in a thick and soft white quilted stitched cover
- **Steri-Plus** - Covered in a moisture resistant Steri-Plus Cover, which is easily cleaned by wiping down with mild detergent warm water, and hung to dry.
