

DAYS BARIATRIC WALKER WITH DOUBLE 5" WHEELS

SKU: PAT-081561653

PRODUCT DESCRIPTION

Purpose & Benefits

The **Days Bariatric Walker with Double 5" Wheels** provides strong, stable, and lightweight mobility support for bariatric users. Constructed from durable aluminium with double-cross bracing, it offers excellent stability without unnecessary bulk, while its dual-release folding mechanism ensures safe and easy operation.

Features

- Lightweight aluminium frame designed for maximum strength and support
- Dual-release buttons provide audible locking cues for secure adjustments and folding
- Double-cross bracing enhances frame stability and durability
- Contoured hand grips ensure comfortable use and reduced strain
- Fitted with double 5" front wheels for smooth mobility
- Rubber-like polyurethane tips provide secure traction and stability
- Folds easily for convenient transport and storage
