

DAYS SWIFT SELF PROPELLED WHEELCHAIR

SKU: ANI-DAYWHE338SP

PRODUCT DESCRIPTION

PURPOSE & BENEFITS

Elevate your mobility with the Days Swift Self-Propelled Wheelchair, a versatile and dependable choice for those seeking independence and comfort while navigating various environments. Designed for users who value autonomy and ease of movement, this wheelchair combines robust functionality with user-friendly features.

FEATURES

- Self-Propelled Wheels:** Equipped with large, sturdy rear wheels, the Days Swift allows users to move themselves independently, providing a sense of freedom and agency.
- Adjustable Footrests:** For comfort and support, the footrests can be adjusted to suit the user's leg length, ensuring an optimal sitting position.
- Padded Upholstery:** The seat and backrest include padding to enhance comfort, making extended periods of sitting more enjoyable.
- Folding Frame:** The wheelchair's frame is designed to fold easily, facilitating transportation and storage in tight spaces.
- Safety Features:** Comes with integrated brakes for both user and attendant, providing safety and peace of mind during transfers and when stationary.
- Durable Construction:** Made with a high-quality metal frame, this wheelchair is built to endure daily use and last for years to come.

The Days Swift Self-Propelled Wheelchair is a practical solution for those seeking a wheelchair that supports an active lifestyle. With its combination of self-propulsion, comfort features, and portability, this wheelchair aims to assist users in maintaining independence and mobility in their daily activities.
