

DEUTSCHER "BIG TED" BARIATRIC FLOORLINE BED - KING SINGLE

SKU: WMR1090BT

PRODUCT DESCRIPTION

Purpose & Benefits

The **Deutsche Big Ted Bariatric Bed** is a robust, floor-line electric bed designed for bariatric patients requiring enhanced weight capacity and safety. With a safe working load of 350 kg, it provides superior support while remaining compact and easy to transport or store. Its adjustable height and multiple positioning functions improve patient comfort and assist carers during daily care routines, making it ideal for hospitals, aged care and home care environments.

Features

- Electrically operated 3-function bed – high/low, backrest and knee break
- Floor-line design lowers to 135 mm for fall prevention and raises to 735 mm for carer comfort
- Collapsible frame allows easy storage and transport
- Twin actuators on backrest and knee bend sections for added strength
- User-friendly control via hand pendant or integrated foot tower keypad
- Heavy-duty control box with optional battery backup
- Hospital-grade 125 mm dual castors with easy lock/unlock control bars
- Tool-free removal of head and foot boards (Natural Oak Matt finish)

- Air mattress pump bracket fitted to foot end as standard
- Tested to meet ISO 60601-2-52:2010 standards
