## PRODUCT DESCRIPTION

### Purpose & Benefits

The **Dext RingPull Can Opener** is designed to make opening ring-pull cans easier and safer for individuals with weak grip or poor dexterity. With its ergonomic design and enhanced leverage, it reduces strain on the hands and wrists, prevents broken tabs, and helps users maintain independence in the kitchen.

### Features

- Opens cans with double the leverage and half the force required
- Prevents snapping of tabs by reducing stress on the hinge
- Comfortable curved handle decreases wrist strain
- Protects fingernails while removing lids with ease
- Universal design suitable for all types of ring-pull cans
- Ambidextrous, high-quality and 100% recyclable
