PRODUCT DESCRIPTION

PURPOSE & BENEFITS

Bringing Dignity to Aged Care, Disability & Independent Living.

This innovative range has been developed by healthcare professionals in conjunction with Stirling University. The Dignity by Wade vitrified crockery range has been consciously designed to provide stylish, elegant options that enhance independence and quality of life. The range is especially beneficial for people with physical dexterity limitations, neurological and sensory considerations, or limited grip strength.

DESIGN & QUALITY

Made from strong vitrified earthenware, each piece supports independent eating and drinking with style and practicality. The range complements standard tableware while offering enhanced stability, grip, and visibility. Available in coordinated colour options, the Dignity range promotes user confidence and maintains a sense of normalcy and dignity at mealtime.

BUNDLE INCLUDES

- Two Handled Bowl
- Two Handled Teapot
- Oval Saucer
- 23cm Scoop Plate
- Two Handled Mug (250ml)
