

DRIVE SENTRA HEAVY DUTY BARIATRIC SELF-PROPELLED WHEELCHAIR

SKU: MWS442910-H

PRODUCT DESCRIPTION

PURPOSE & BENEFITS

The Sentra Bariatric Wheelchair has been designed for the larger person to ensure their mobility experience is as comfortable as possible.

FEATURES

- **Comfortable:** Comfort is an essential element of its design.
- **Adjustable**: Wheelchair users can easily adjust their seat height to hemi-level with the unique dual-axle position of this chair. The solid castors at the front can also move between 3 different positions for optimal comfort and support.
- **Generous Weight Capacity:** Up to 200kg (& 318kg for extra wide seat widths)
- **Practical**: Armrests featuring comfortable padding have a comparatively short length that allows access to most tabletops and other surfaces.
- **Built-to-Last:** Sturdy and stylish wheelchair that has been built-to-last
- **Stylish:** Double-embossed vinyl upholstery and padded desk-style armrests add an attractive look to this chair.
- **Low- Maintenance:** This wheelchair’s design limits tiresome maintenance requirements. A chrome finish added onto the carbon steel frame makes the metal elements of this wheelchair chip-free and easily-maintained. Additionally, the Drive Sentra EC wheelchair is fitted with sealed, precision bearings for a maintenance-free design.
- **Easy Storage & Transportation**: Easy-to-fold to make storage and transportation quick and simple. Additionally, the footrests and armrests can be quickly and easily detached from the rest of the chair for tight storage situations or even sideways transfer of users
