PRODUCT DESCRIPTION

PURPOSE & BENEFITS

Dycem Non-Slip Matting provides an unbeatable grip for any item. The Non-Slip Matting fits discreetly under items in the clinic, at school or at home, and helps to prevent items like plates and bowls from moving across a surface when in use.

Suitable for a wide range of uses, Dycem Non-Slip Matting can be cut to fix specific items and your specific needs. Anywhere you need a no-slip surface, Dycem is the answer.
