

EASI-GRIP IMPROVED LONG REACH TOE NAIL CUTTER

\$31.90

SKU: PTC-2

PRODUCT DESCRIPTION

Purpose & Benefits of Easi-Grip Improved Long Reach Toe Nail Cutter

The **Easi-Grip Improved Long Reach Toe Nail Cutter** is designed to assist individuals who have difficulty bending, reaching, or using standard nail clippers due to limited mobility, arthritis, or back and hip issues. With its extended handle and ergonomic design, this tool allows users to trim toenails safely and comfortably without the need to strain or overreach.

The angled stainless steel cutting head ensures a clean and precise cut, while the contoured handle offers better grip and control. This toe nail cutter supports independent grooming, promoting dignity and personal care confidence, especially for older adults or those recovering from surgery.

Key Features:

- Extended handle reduces the need to bend or stretch
- Ergonomic design with non-slip grip for added control
- Angled stainless steel cutting head for precise trimming
- Ideal for individuals with limited mobility, arthritis, or hip/knee issues
- Lightweight yet durable construction
- Promotes safe, independent foot care at home

Specifications:

- **Overall length:** 20 cm
- **Blade length:** 3 cm
- Angled blade
