

EGGSERCIZER HAND EXERCISER

\$20.00 - \$23.00

SKU: PAT-A9083

PRODUCT DESCRIPTION

PURPOSE AND BENEFITS

The World's Smallest Exercise Machine Enhanced visual and tactile appeal - exactly what professionals wanted in the Eggsercizer Hand Exerciser. Redesigned to meet the needs of orthopaedic surgeons, PT's, OT's and exercise physiologists.

FEATURES

- Softer - resistance levels are reduced, creating a softer feel, ideal for rehabilitation
- Tack-free - new surface modification process makes the Eggsercizer smoother and eliminates stickiness
- Colour coded - translucent colour scheme corresponds to REP Band colour scheme
