\$73.00 Original price was: \$73.00.<u>\$66.00</u>Current price is: \$66.00.

SKU: 80505005

## **PRODUCT DESCRIPTION**

#### **PURPOSE AND BENEFITS**

The Etac Aktiv reacher with Power Grip and Hook is specifically designed to provide support for individuals with weak hands and limited lifting ability. It features a forearm support that assists in maintaining stability while using the reacher.

## **FEATURES**

- Similar to other Aktiv reachers, the jaws of this model are turnable, allowing for versatile use.
- Equipped with hooks that enable both pushing and pulling of items
- To enhance durability and improve gripping capabilities, the jaws are coated with hardwearing rubber
- A magnet is incorporated into the reacher's design, enabling it to pick up small metallic items conveniently.
