PRODUCT DESCRIPTION

PURPOSE AND BENEFITS

Etac Clean Height Adjustable shower commode chair offers the convenience of adjustable seat height, allowing for a customized fit to meet the user's specific needs. This adjustment capability makes transfers easier and ensures a perfect fit over the toilet. The height adjustment process is simple and tool-free.

FEATURES

- The Etac Clean shower commode chair is specifically designed to fit perfectly over wall-mounted toilets, thanks to its upright operating handle. This feature ensures seamless integration with various toilet configurations, allowing for easy and convenient use of the chair during toileting tasks.
- Etac Clean has a smart design that provides a roomy and comfortable sitting area while maintaining a slim profile.
- The foot support of the Etac Clean shower commode chair is designed with a soft, rounded shape, providing both comfort and protection to the user's feet.
- The Etac Clean shower commode chair has an open back for easy access during hygiene activities.
