## PRODUCT DESCRIPTION

### PURPOSE AND BENEFITS

The Etac Clean shower commode chair is designed for easy operation, made possible by the width of the push handle. The chair's clever design is evident throughout its entirety. The upright handle ensures a perfect fit, even over wall-mounted toilets, while the chair's open back enhances access and facilitates use.

The Clean shower commode chair features a unique foot support that offers both comfort and practicality. The foot support can be conveniently pushed under the seat when not in use. The soft curved surface of the foot support ensures comfortable foot placement, and the side protection of the foot support keeps the feet well-protected.
