

ETAC HI-LOO BRACKETS - PAIR

\$65.00

SKU: 80301030

PRODUCT DESCRIPTION

Purpose & Benefits

The Etac Hi-Loo Brackets – Pair are durable replacement mounting brackets designed specifically for securing Etac Hi-Loo toilet seat raisers. These high-quality brackets ensure a stable and secure attachment of the seat raiser to the toilet bowl, helping to maintain user safety during transfers and daily use.

Ideal for replacing worn or missing parts, these brackets restore full functionality to Hi-Loo raisers and are suitable for both home and clinical environments where reliability and hygiene are essential.

Features

- Genuine Etac replacement bracket set (pair)
- Ensures secure mounting of Hi-Loo toilet seat raisers
- Maintains stability and safety for daily toileting
- Easy to install and replace
- Durable, corrosion-resistant materials
- Ideal for long-term care or home modifications

- Suitable for aged care and hospital settings
