

ETAC RELAX SHOWER SEAT BACK SUPPORT

\$156.00

SKU: 81704060

PRODUCT DESCRIPTION

PURPOSE AND BENEFITS

The Etac Relax Soft back support is an additional feature that enhances comfort during showering. It offers a soft, heat-reflective surface, providing extra comfort and relaxation. This back support is conveniently attached to the wall using Velcro, allowing for easy installation and adjustment according to personal preference. It provides an added layer of support and comfort, making your showering experience even more enjoyable.

*Please note, this product is the back support attachment for the [Etac Relax Shower Seat](#), [Check it out here!](#)

FEATURES

- Attachment to the wall via Velcro
- Heat Reflective surface
- Easy installation
