

ETAC RELAX SHOWER SEAT

SKU: 8170-H

PRODUCT DESCRIPTION

PURPOSE AND BENEFITS

The Etac Relax shower seat combines style and functionality. It features a foldable design that saves space by neatly folding it flat against the wall.

Designed with Scandinavian minimalism in mind, the Etac Relax shower seat offers maximum comfort and adds a touch of elegance to your bathroom.

You can customize the seat to meet your specific needs by choosing options such as arm supports, supporting legs, or heat-reflecting back support. The seat itself is designed with a velvety surface and a mild contour, ensuring stability and comfort. Its unique front design allows for alternative sitting positions.

The arm supports have a non-slip coating and ergonomic design, providing a firm grip, while the optional supporting legs offer additional stability if required.

The Etac Relax shower seat is available in white and volcano grey, allowing you to select the colour that suits your bathroom decor.

FEATURES

- The arm supports of the Etac Relax shower seat are designed with an easy-grip feature. Their ergonomic shape is carefully contoured to fit the hand, ensuring a comfortable and secure grip. This design element enhances safety and stability, allowing users to feel confident and supported while using the shower seat.
- The rounded design of the seat on the Etac Relax shower seat offers multiple sitting positions

and easy access from various sides.

- The Etac Relax shower seat combines stability and a discreet design. It provides a secure and spacious seating surface during use, and when not in use, it folds flat against the wall, maintaining a subtle and space-saving presence in the bathroom.
- The velvety surface of the Etac Relax shower seat provides a smooth and comfortable sitting experience. It is designed to be non-slip, even when wet, ensuring enhanced safety during use.

***Mounting of the seat must be carried out by a qualified person. The Medimart team can help organise a home modification — get a quote here**
