

HAINES MEDICAL NON-SLIP SALLYSOCKS - BARIATRIC EXTRA WIDE - 50-PACK

SKU: SSOCKB-50

PRODUCT DESCRIPTION

Purpose & Benefits

The **Haines SallySocks - Bariatric Extra Wide** are premium non-slip patient socks designed to minimise the risk of slipping on dry floors. Developed for healthcare environments, they provide comfort, breathability, and safety for larger users or those with swollen legs due to oedema or cellulitis.

Features

- Extra-wide bariatric design stretches up to 30 cm at the calf for a comfortable fit
- Made from 80% cotton for softness and breathability
- Slip-resistant grip pads from heel to toe for improved stability
- Loose ankle opening assists with circulation and reduces pressure
- Designed to avoid twisting and bunching during wear
- Single patient use – can be washed and reused at home after hospital stay
- Proven 19% better performance than other brands and 30% safer than socks without non-slip technology

- Colour-coded sizing system for easy identification

Specifications
