

HAINES SALLYSOCKS NON-SLIP PATIENT SOCKS - 5 PACK

\$20.00 - \$32.00 Price range: \$20.00 through \$32.00

SKU: SSOCK

PRODUCT DESCRIPTION

SallySocks are non-slip patient socks, designed to minimise the chance of slipping on dry floors. Made from polyester and spandex with skid resistant grip pads on the base, they are available in six sizes, from X-Small through to Bariatric, for the most comfortable possible fit.

Comes in pack of 5.

FEATURES

- Comfortable fit
- Designed to avoid twisting and bunching experienced with ill-fitting or poor quality non-slip socks
- Loose ankle opening to assist with blood circulation around the ankle
- Heal to toe slip-resistant grip pads for optimal grip
- Single patient use
- Colour-coded for easy size selection
- Latex free and made from 88% Polyester / 12% Spandex with PVC grips
