## PRODUCT DESCRIPTION

### Purpose & Benefits

The Haines Wipeclean Waterproof Pillow is designed for environments that demand high hygiene standards, such as hospitals, aged care, and home care settings. This pillow is constructed with a completely sealed, wipe-clean, waterproof cover that supports infection control practices by preventing fluid ingress and enabling effective surface disinfection.

Its welded seams eliminate stitching holes, reducing contamination risks and improving durability. The pillow delivers comfort and support for users while simplifying cleaning and maintenance for carers and facilities.

### Features

- Waterproof and wipe-clean outer cover
- Stitched or welded seams to aid infection control
- No need for additional pillowcases
- Durable and supportive internal fill
- Ideal for clinical, aged care, or home environments

- Easy to disinfect and maintain hygiene

## **Specifications**

- Size: 70cm x 45cm
- Cover: Waterproof, medical-grade material
- Cleaning: Wipe with disinfectant or mild detergent
- Colour: Typically white or light grey (dependent on stock)
