**\$81.00 - \$109.00** Price range: \$81.00 through \$109.00

**SKU:** DKC17-H

### PRODUCT DESCRIPTION

#### Purpose & Benefits of the Hand Rail Industries Stainless Steel Grab Rail - Diamond Embossed Satin 32mm Concealed Fixing

The Hand Rail Industries Stainless Steel Grab Rail with a Diamond Embossed Satin finish and a 32mm diameter is designed to provide enhanced grip and support for individuals requiring assistance with mobility and balance. Its concealed fixing design ensures a sleek and modern appearance, making it suitable for various settings, including bathrooms, showers, toilets, medical facilities, and stairways.

#### Features

- **Diamond Embossed (Deco Knurled) Grip** – The textured surface offers slip prevention, providing a higher level of grip compared to standard finishes.
- **High-Quality Stainless Steel Construction** – Manufactured to meet Australian market and building codes, ensuring durability and compliance with industry standards.
- **Concealed Fixing Flange** – The concealed flange design provides a clean and seamless look, enhancing the aesthetic appeal of the installation.
- **Versatile Application** – Suitable for use by disabled and ambulant users in various environments requiring additional support.

#### Specifications

- **Diameter:** 32 mm
- **Available Lengths:**
  - 450 mm
  - 600 mm
  - 750 mm

*Note: Ensure that the grab rail is installed by a qualified professional to maintain safety and compliance with relevant standards.*

The Hand Rail Industries Stainless Steel Grab Rail – Diamond Embossed Satin 32mm Concealed Fixing is an excellent choice for those seeking a reliable, aesthetically pleasing, and functional support solution in various settings.
