

HANDI-MOVE 2-POINT CLASSIC SPREADER BAR

SKU: 2110 00000003

PRODUCT DESCRIPTION

Purpose & Benefits

The **Handi-Move 2-Point Classic Spreader Bar** is a versatile and ergonomic lifting accessory designed for use with Handi-Move hoist systems. Its two-point configuration provides secure and comfortable patient transfers, with a wider suspension spacing to improve sitting comfort. Engineered for easy interchangeability, it allows quick connection and disconnection from the hoist's eye nut, supporting safe, smooth and efficient lifting in care and rehabilitation environments.

Features

- Two-point spreader bar designed for reliable patient lifting and transfer
- Optional four-point configuration with separate sidebars for enhanced versatility
- Wider suspension point spacing for improved sitting comfort and posture support
- Easily interchangeable with other compatible Handi-Move lifting accessories
- Quick and simple hook-in connection to the hoist eye nut for safe, efficient setup
- Durable, low-maintenance construction suitable for frequent use in clinical settings
