

HANDI-MOVE PORTABLE CEILING HOIST

SKU: 2840

PRODUCT DESCRIPTION

Purpose & Benefits of Handi-Move Portable Ceiling Hoist

The Handi-Move Portable Ceiling Hoist is designed to provide efficient and versatile lifting solutions, enhancing mobility and independence for individuals with limited movement. It facilitates safe and smooth transfers, ensuring both caregivers and users can manage transfers with minimal effort. This portable hoist system offers flexibility and ease of use, making it an ideal choice for various settings, including homes, hospitals, and rehabilitation centres.

Features

- **Portable Motor:** The motor is lightweight and easily detachable, enabling quick setup and transfer between different rooms or locations.
- **Remote Control Operation:** Allows for easy operation via a remote control, giving users and caregivers control over the lifting process.
- **Quiet and Smooth:** Designed for quiet operation, ensuring a peaceful environment during use.
- **Safety Mechanisms:** Includes multiple safety features such as emergency lowering and stopping functions to ensure user safety.
- **High Lifting Capacity:** Capable of lifting significant weights, accommodating a wide range of users.

- **Compact and Lightweight:** The portable design saves space and is easy to transport, avoiding the need for bulky floor-based lifting equipment.

Specifications

- **Weight:** 8 kg
- **Safe Working Load:** 182 kg
- **Batteries:** 2 x 12 VDC, 3.2 Ah
- **Charger:** Input 220 V AC, output 24 V DC
