

HANDI-MOVE SET STANDARD THIGH SUPPORTS

SKU: 1077L 00000002-H

PRODUCT DESCRIPTION

Purpose & Benefits

The **Handi-Move Set Standard Thigh Supports** are designed to provide secure and comfortable leg support when using the SureHands® body support system. These thigh supports ensure balanced, safe, and ergonomic lifting by evenly distributing pressure and maintaining proper body alignment during transfers.

Features

- Ensures even distribution of pressure and body weight for safe, comfortable transfers
- Helps maintain proper posture and spinal alignment during lifting
- Fits securely under the thighs for stability and user comfort
- Compatible with the Handi-Move SureHands® body support system
- Constructed from rust-resistant, low-maintenance materials suitable for frequent use

Specifications

- **Compatibility:** Designed for use with the Handi-Move SureHands® body support system

- **Material:** Durable, rust-resistant construction
- **Maintenance:** Easy to clean and maintain
