PRODUCT DESCRIPTION

Purpose & Benefits

The **Shear Comfort Arm Support Protectors** are crafted to shield the skin on your wrists, forearms, and elbows from bumps, abrasions, and friction when using armrests on wheelchairs or office chairs. Made from XD1900 high-density medical-grade wool, these protectors offer excellent pressure redistribution and create a breathable microclimate for enhanced skin health and comfort.

Features

- Made from XD1900 high-density wool (1,900 g/m²) for superior pressure redistribution and comfort
- Protects wrists, forearms, and elbows from impact and friction with a soft wool buffer
- Promotes a healthy microclimate—absorbs up to 30 % of its weight in moisture vapor without feeling damp, allowing heat and moisture to dissipate
- Attaches securely with adjustable Velcro straps for a snug fit
- Machine washable up to 80 °C thanks to fabric-backed construction for hygienic cleaning
- Guaranteed to withstand up to 50 washes when cared for per manufacturer's guidelines
