

## HEMOCRAFT CARING CUTLERY IVORY SET

**\$68.00**

**SKU:** PAT-AA55700Y

## PRODUCT DESCRIPTION

### Purpose & Benefits of the Hemocraft Caring Cutlery Ivory Set

The Hemocraft Caring Cutlery Ivory Set is specifically designed to assist individuals with limited hand or wrist mobility, providing an ergonomic and comfortable grip for easier eating. Each piece features a built-up, non-slip handle that is easy to hold, making it ideal for individuals with arthritis, weak grip strength, or other conditions that impact hand function. This lightweight and durable cutlery set promotes independence and ensures a more enjoyable dining experience for users in both home and care environments.

### Features

- **Ergonomic Design:** The cutlery features built-up, contoured handles that are designed for a comfortable and secure grip, helping users with limited hand function eat with ease.
- **Non-Slip Grip:** The handle material is designed to prevent slipping, even when wet, providing users with confidence while eating.
- **Lightweight and Durable:** Constructed from high-quality materials, the cutlery is lightweight yet sturdy, ensuring long-lasting performance and ease of use.
- **Ideal for Reduced Mobility:** Perfect for individuals with arthritis, weak grip strength, or other mobility challenges affecting the hands or wrists.
- **Easy to Clean:** The cutlery set is easy to maintain, suitable for dishwashing, and simple to clean by hand.
