

**EASI-GRIP CHIROPODIST SCISSORS****\$50.00****SKU:** PAT-AA6766Y**PRODUCT DESCRIPTION****PURPOSE AND BENEFITS**

The Easi-Grip Chiropodist Scissors have long loop handles allowing the whole hand to be used for controlling the scissors. This is ideal for those with a weak grip. The extended shank helps users who have difficulty bending. The angled blades give a good cutting position, with the top blade being slightly serrated to stop it slipping. Stainless steel blades. Retail Pack.

FEATURES

- Use these long handle chiropody scissors to cut your toe nails with less bending
- Overall length 20 cm, blade length 3 cm, angled blade offers a good cutting position
- Long loop handle allows the whole hand to be used when cutting, extended shank provides extra reach if you have difficulty bending
- Slightly serrated blade of podiatrist scissors prevents nails from slipping during use
- Easy to grip scissors are ideal for people with weak grasp who need to control the scissors, including the elderly
