PURPOSE & BENEFITS

The standard handles with utensil holes on both ends are reimagined in these Homecraft Kings Double Ended Handles with Straps. One-handed eating is made possible by these practical kitchen and dining tools that let you wield two utensils at once.

FEATURES

- For people who have trouble grasping small utensils, the handle provides an easy-to-grip and regulated alternative.
- It is also appropriate for toddlers and young children who have trouble grasping conventional utensil handles.

Please note - This is a handle for the cutlery set, please check out the cutlery set below
