PRODUCT DESCRIPTION

HEMECRAFT KITCHEN WORKSTATION PURPOSE AND BENEFITS

The Homecraft Kitchen Workstation is a multi-function food preparation unit designed to provide assistance with many day-to-day kitchen tasks.

Based around a tough, durable chopping board measuring 500×300mm the workstation.

FEATURES

- A removable grater and slicer (with a protective cover) that collects the food with a minimum of mess and waste.
- A raised L shaped corner measuring which can be used to hold bread and toast in place whilst it is being spread.
- Removable stainless steel [spikes](#) that secure bread, fruit or vegetables in place whilst being sliced, chopped or peeled.
- A removable clamp that can open up to 110mm wide and hold any object in place such as a bowl, a tin, bread, [vegetables](#) etc. The clamp has a reversible edge, allowing it to be either flat or contoured.

The workstation has four non-slip suction pads that firmly anchor it in place.
