

HOMECRAFT PICK UP REACHER WITH LOCK AND FOREARM SUPPORT

SKU: PAT-AA8064

PRODUCT DESCRIPTION

PURPOSE & BENEFITS

The Homecraft Pick Up Reacher with Lock and Forearm Support is a versatile and innovative tool designed to assist individuals in reaching and grabbing objects that are out of arm's length. Ideal for those with limited hand strength or mobility issues, this reacher ensures ease of use and increased independence.

FEATURES

- **Extended Reach:** The reacher extends the user's reach, making it easier to grab items without the need for excessive bending or stretching.
- **Locking Mechanism:** Equipped with a locking mechanism, it allows users to grab and hold onto objects securely, even when they have limited hand strength.
- **Forearm Support:** The additional forearm support provides extra stability and reduces the strain on the hand and wrist, making it more comfortable for extended use.
- **Ergonomic Handle:** Designed with an ergonomic handle, the reacher is comfortable to hold and easy to operate, ensuring a firm grip.
