

ICARE HYDROSENSE SYSTEM UNIT

SKU: PPUR

PRODUCT DESCRIPTION

HYDRO SENSE SYSTEM

Presenting the ICare HydroSense System Unit – an innovative solution designed to deliver optimal moisture management and skin protection for individuals at risk of skin breakdown. This system is expertly crafted to enhance the comfort and wellbeing of users, ensuring a dry and conducive environment for skin health.

This item must be used in conjunction with the HydroSense Bed Pad.

FEATURES

- **Advanced Moisture Management:** The ICare HydroSense System Unit employs cutting-edge technology to effectively manage moisture, keeping the user's skin dry and comfortable.
- **Skin Protection:** This unit is invaluable for individuals with sensitive skin or those at risk of pressure ulcers, as it helps in maintaining skin integrity by preventing prolonged exposure to moisture.
- **User-Friendly Design:** Designed with the user in mind, the system is straightforward to operate, ensuring that caregivers or users can easily manage the settings and functions.
- **Versatile Application:** The HydroSense System Unit is compatible with a range of ICare mattresses, providing flexibility and ensuring that it can meet the diverse needs of different users.
- **Durable Construction:** Built to last, the system is made from high-quality materials that ensure longevity and consistent performance.
- **Easy Maintenance:** The unit is designed for hassle-free maintenance, ensuring that it can be kept in optimal condition with minimal effort.
- **Quiet Operation:** Operating quietly, the system ensures a peaceful environment for the user,

promoting rest and relaxation
