

## ICARE BED WEDGE

**\$123.00**

**SKU:** IC172

## PRODUCT DESCRIPTION

### Purpose & Benefits

The **iCare Bed Wedge** provides multi-use support to help alleviate acid reflux, respiratory problems, and back or neck pain. It can also improve circulation and reduce pressure in the legs for users with varicose veins. Designed for flexibility, the wedge can be positioned under or on top of the mattress to elevate the head or legs for comfort and relief.

### Features

- Three-in-one design for use under or on top of the mattress
- Elevation angle of 17° supports upper body or legs
- Assists in relieving acid reflux, respiratory issues, and back or neck discomfort
- Promotes circulation and helps reduce symptoms of varicose veins
- Removable, zip-off washable cover for hygiene and convenience

### Specifications

- **Size:** 68cm (L) x 78cm (W) x 21cm (H) at thick end

- **Elevation Angle:** 17°
- **Cover:** Zip-off, washable
