PRODUCT DESCRIPTION

PURPOSE & BENEFITS

Truly like a cloud, The ICare Visco Cloud pillow is made up of a high density ActiveX core with a microfibre filled cotton cover.

The ActiveX core is removable to make the Visco Cloud even softer.

FEATURES

- Truly like a cloud
- Pressure relieving ActiveX core
- High density ventilated core
- Elastic type foam responsive to temperature
- Becomes softer as it becomes warmer, allowing the pillow to cradle the head and neck to the exact shape of the user
- High thread count microfibre filled cotton cover with a unique layer of air-fibre enclosed within to create a plush comfort layer
- Removable ActiveX core to make the Visco Cloud even softer
- Anti-allergy cover and fill
- Suitable for side, front and back sleepers
