SKU: ICPB

PRODUCT DESCRIPTION

SIZE OPTIONS

Available in a long single and king single partner bed version.

Colours Available

ICare-Upholstery-Colour-Choices.pdf

PURPOSE AND BENEFITS

Whilst being a Static ward style bed, Icare have designed this bed in such a way that it gives a homey feel. A luxury style fabric wrap around the outside of the base means this bed feels, looks and commands a cosy vibe.

The IC100 Bed is a non-function hospital grade bed, with a static mattress platform. It provides a strong base for a partner, parent or caregiver to sleep alongside any Icare Adjustable bed.

Companion Beds available
