SKU: IC280JNR

PRODUCT DESCRIPTION

Purpose & Benefits of the ICare IC280 Junior Homecare Bed

The ICare IC280 Junior Homecare Bed is designed specifically for younger users, offering a smaller frame and enhanced comfort for children or individuals requiring a compact-sized bed in a homecare environment. With electric height and positioning adjustments, this bed provides exceptional support for caregivers, allowing for easier patient care while ensuring the comfort and safety of the user. The IC280 Junior is perfect for homecare settings, offering a blend of functionality and style to suit various needs.

Features

- **150 kg Safe Working Load**: The bed is designed to support users up to 150 kg, ensuring safety and durability during long-term use.
- **Strong Breathable Mattress Platform**: The breathable mattress platform promotes airflow, enhancing user comfort and extending mattress longevity.
- **Optional Headboard and Footboard**: Customise the bed with an optional headboard and footboard to suit individual needs and room aesthetics.
- **End and Corner Mattress Retainer Bars**: These retainers help keep the mattress securely in place, providing additional safety and preventing unwanted movement.
- **5-Year Warranty**: Comes with a 5-year warranty, offering peace of mind and assurance of long-term reliability.
- **External Rechargeable Battery Back-up**: In case of a power outage, the external battery back-up ensures that essential bed functions remain operational.
- **Backlit Wipeable Hand Piece**: The bed’s hand control features a backlit design for easy use in low-light conditions, and its wipeable surface allows for quick and hygienic cleaning.
