

ICARE REFORM FULL BACK SUPPORT

SKU: ICR2

PRODUCT DESCRIPTION

PURPOSE & BENEFITS

Introducing the Reform Full Back Support! This lumbar support is designed to relieve back pressure and help posture. It naturally contours against the back with its unique shape and material. The Reform Back Support can be used in any type of chair or seat with an elastic strap to secure it in place.

The Reform Back Support is made of very high density slow forming ActiveX™ material that is combined with new charcoal fusion to help control temperature and reduce pressure. The unique shape contours to the back with extended upper back arms and a two-way curve for lower back support. Get your hands on the Reform Full Back Support today and experience the ultimate comfort!
