

ICARE REFORM LOW BACK SUPPORT

\$153.00

SKU: ICR3

PRODUCT DESCRIPTION

PURPOSE & BENEFITS

Reform Low Back Support is a lumbar support device that can ease lower back pain and improve posture. It is made of charcoal-infused ActiveX™, a high-density material that adapts to your shape and regulates temperature. You can use it in any chair or seat with an elastic strap.

The device has a unique design that fits your back curve. It has extended arms for upper back support and a two-way curve for lower back support. Reform Low Back Support can help you feel more comfortable and aligned.
