

ICARE REFORM SEAT SUPPORT

SKU: ICR1

PRODUCT DESCRIPTION

PURPOSE & BENEFITS

Introducing the Reform Seat Support! This ergonomically designed seat cushion is made of very high-density ActiveX™ material that redistributes weight to low-pressure areas, reducing pain points and helping posture. The unique moulded design maximises support over a greater area, reducing pressure. The non-slip base material ensures that the cushion stays in place.

The Reform Seat Support is made of very high density slow forming ActiveX™ material that is combined with a new charcoal fusion to help control temperature and reduce pressure. This gives the user a high level of support and comfort. Get your hands on the Reform Seat Support today and experience the ultimate comfort!

SPECIFICATIONS

Feel Rating: Medium

Material: High-Density Charcoal ActiveX™

User Weight: 50kg – 130kg
