

ICARE VFIT LATERAL TORSO SUPPORTS (PAIR)

SKU: ICVFTLAS

PRODUCT DESCRIPTION

Purpose & Benefits

The **Icare VFit Lateral Torso Supports** are designed to provide additional postural support and positioning for users seated in a VFit Chair. They assist in securing users with reduced muscle tone by offering lateral stability, while also enabling width adjustment to suit individual user requirements. This helps improve seating alignment and overall user security during use.

Features

- Provides lateral torso support for improved positioning
- Assists users with reduced muscle tone
- Adjustable width to suit different users
- Designed to increase user security
- Compatible with VFit Chair only

Specifications

- **Compatibility:** VFit Chair only
