

# ICARE VISCO PILLOW WITH ACTIVEX CONFORM

**SKU:** ICP6

## PRODUCT DESCRIPTION

### Purpose & Benefits

The **iCare VISCO Pillow With ActiveX – Conform** is an adjustable pillow designed to support a range of sleeping positions while assisting with alignment and comfort. Constructed with multiple layers, it allows users to customise the height and feel to suit individual needs. The high-density ActiveX core provides structured support, while the gel insert assists with temperature regulation during use. The breathable fabric promotes airflow, contributing to a more comfortable sleep surface. Suitable for front, back, and side sleepers, this pillow is intended for use in everyday sleep environments where positioning, support, and pressure redistribution are required.

### Features

- Adjustable layered design for customised positioning
- High-density ActiveX core for structured support
- Cooling gel insert assists with temperature regulation
- Zip off washable cover
- Breathable fabric to increase airflow
- Suitable for front, back and side sleepers

- Supports positioning, alignment and pressure redistribution
