PURPOSE & BENEFITS

The Icare VMotion Lift Recliner Chair stands as a testament to Icare's dedication to merging the clinical needs of its users with refined aesthetics. A lift recliner of this calibre is a must-have for those who prioritise comfort, mobility, and style.

FEATURES

- **QuietDrive Electric Actuators:** Powered by four efficient and noiseless actuators, this chair offers seamless adjustments in rise, recline, headrest, and lumbar positions.
- **Customisable Comfort Interface:** Featuring an eight-point adjustment system, users can tweak and refine their seating experience.
- **Safety First:** The anti-bottom-out feature ensures the chair won't sink too low, even after prolonged usage.
- **Durable and Warrantied:** Built to last, the chair's frame is backed by a 3-year warranty. The in-seats and electronics are protected with a 2-year warranty, reflecting trust in its longevity.
- **Intuitive Handpiece:** Comes with a wired stretch cord, easy-clean features, left/right handpiece cabling, and user-friendly override buttons. Moreover, the added USB charger ensures your devices stay powered.
- **Optimal Dimensions:** With a seat size of 500 x 500mm and a height of 500mm from the floor to the seat top, it offers ample space for a comfortable seating experience.

The Icare VMotion Lift Recliner Chair isn't just a chair; it's a commitment to quality, comfort, and style. Whether you seek to regain some independence, want to ensure maximum comfort during extended seating, or desire a stylish addition to your living space, the VMotion Lift Recliner is an unparalleled choice. Experience the best of functionality and design with the Icare VMotion Lift

Recliner Chair.
