

IMAK WRISTIMER

SKU: RS-60010-H

PRODUCT DESCRIPTION

Purpose & Benefits of the IMAK WrisTimer

The IMAK WrisTimer is a specialized wrist support designed to provide preventive and therapeutic support to individuals experiencing wrist pain, particularly those with symptoms related to repetitive stress injuries, Carpal Tunnel Syndrome, or arthritis. This innovative wrist support helps maintain the wrist in a functional, neutral position to reduce pain and prevent further injury while allowing full dexterity of the fingers and thumb. It's particularly useful for individuals engaged in activities that require repetitive wrist movements, such as typing, assembly line work, or sports. The IMAK WrisTimer is an essential tool for anyone seeking to protect their wrists from strain and discomfort, facilitating recovery and supporting continued activity.

Features

- **Functional Wrist Support**: Maintains the wrist in a neutral position, reducing strain and supporting the natural alignment of the wrist.
- **Adjustable Design**: Features an adjustable strap that allows users to customize the fit and level of support according to their specific needs.
- **Comfortable Fit**: Made with breathable materials that ensure comfort during extended use, whether during the day or night.
- **Easy to Use**: The design allows for easy application and removal, making it convenient for daily wear.
- **Versatility**: Suitable for use during a variety of activities, from everyday tasks to sports, ensuring protection and support wherever needed.
- **Compact and Portable**: Lightweight and easy to carry, it can be used at work, at home, or while travelling, providing consistent support.

Specifications

- **Size:** Small: to 6.5 inches; Medium: 6.5-7.5 inches; Large: over 7.5 inches;
- **Adjustability**: Comes with a hook and loop fastener for a secure, adjustable fit
