PRODUCT DESCRIPTION

Purpose & Benefits of the Impacto Sports & Wheelchair Gloves

The Impacto Sports & Wheelchair Gloves are designed to protect the hands of manual wheelchair users from blisters, calluses, and abrasions caused by regular propulsion. They also help minimise injuries resulting from vibrations and repeated impact, enhancing comfort and safety during daily activities.

Features

- **Half-Finger Design** – Allows for improved dexterity and tactile sensation while providing essential protection.
- **Black Leather Palm** – Offers durability and a secure grip on wheelchair rims.
- **Gel Padding** – Provides cushioning to reduce pressure and absorb shocks, enhancing user comfort.
- **Hook and Loop Wrist Closure** – Ensures a snug and adjustable fit for various wrist sizes.
- **Latex-Free** – Suitable for individuals with latex sensitivities.

Specifications

- **Sizes:**
 - Extra Small: 180 mm
 - Small: 200 mm
 - Medium: 230 mm
 - Large: 250 mm

To determine the correct size, measure the circumference of your hand across the knuckles at the

base of the fingers.

The Impacto Sports & Wheelchair Gloves are an excellent choice for wheelchair users seeking reliable hand protection without compromising dexterity and comfort.
