PURPOSE & BENEFITS

Our world famous Starfish Indy orthotic sandals come with some cool new features for extra comfort and support.

- Anatomically correct orthotic arch support
- Anatomically correct heel cup
- Metatarsal support tarsal bar
- Vegan friendly single injection construction
- Wide based starfish tread to leave your mark on every beach
- Super soft AusLite™ foam relieves pain from Plantar Fasciitis and Heel Spurs

These extremely comfortable orthotic support Sandals are made from our unique AusLite™ anti bacterial polymer foam, offering true orthotic arch support for the perfect fit.

FEATURES

- Anatomically correct arch support fits most people everyday offering great orthopaedic support and a better overall posture
- Heel Cup cradles the heel, providing a supported and straight strike of the heel to the ground as you walk
- Metatarsal support under your toes assists in eliminating toe clenching, which in turn allows you to relax your feet, relieve pain and walk naturally
- Super soft AusLite™ foam and snug fitting strap that hugs the orthotic support to your sole
- Reflexology nubs to stimulate circulation and invigorate your day
- Like walking on air with just a few grams in weight in each orthotic sandal
