## PRODUCT DESCRIPTION

### Purpose & Benefits of the Intellinetix Vibrating Eye Mask

The Intellinetix Vibrating Eye Mask offers a therapeutic approach to relieving eye strain, headaches, sinus pressure, and insomnia through gentle vibration therapy. Designed to provide soothing relaxation for the area around the eyes, this mask can help reduce the discomfort associated with prolonged screen use, dry eyes, and stress. Its gentle vibrating function is aimed at improving blood circulation, reducing puffiness, and promoting a state of deep relaxation, making it an ideal choice for winding down after a long day or for use during meditation and relaxation practices.

### Features

- **Vibration Therapy:** Delivers calming vibrations around the ocular area to enhance blood circulation, relieve stress, and reduce eye strain.
- **Adjustable Intensity:** Users can easily adjust the intensity of the vibrations to suit their comfort level and specific therapeutic needs.
- **Soft, Comfortable Material:** Made from a plush, soft material that feels gentle against the skin, ensuring comfort during use.
- **Contoured Design:** Ergonomically designed to fit the contours of the face, effectively blocking out light and providing comprehensive coverage over the eyes.
- **Rechargeable Battery:** Equipped with a rechargeable battery that allows for cordless operation, enhancing the mask's convenience and portability.
- **Easy to Use:** Simple controls integrated into the mask for straightforward operation, allowing adjustments without removing the mask.

## Specifications
