PRODUCT DESCRIPTION

PURPOSE & BENEFITS

The **Jadco Automatic Calendar Clock** combines a classic analogue clock face with a clear digital perpetual calendar that displays the day, date, and month. Designed for simplicity and reliability, it automatically adjusts for leap years and provides at-a-glance visibility, making it ideal for assisted living environments and individuals living with Alzheimer's or dementia.

FEATURES

- Dual-display design with analogue time and digital calendar
- Automatic leap year adjustment for long-term accuracy
- Durable ABS impact-resistant thermo-plastic housing
- Clear acrylic wrap-around lens for easy viewing from all angles
- Reliable German quartz movement for precise timekeeping
- Can be wall-mounted or placed on a flat surface for flexible use
- Available in four colour options to suit any setting
- Ideal for aged care, assisted living, and home environments
