

**KCARE ALIVIO BED ASSIST RAIL MOBILE TALL****\$136.00****SKU:** KA3200ARMT**PRODUCT DESCRIPTION****Purpose & Benefits**

The **Alivio Mobile Bed Assist Rail - Tall** is designed to provide users with extra stability and support when getting in and out of bed. Its tall frame height makes it ideal for users who require a higher handhold. This assist rail mounts securely to compatible Alivio beds using mobile brackets, allowing flexible positioning along the bed frame for optimal comfort and accessibility.

Features

- Tall design for enhanced support and reach
- Compatible with selected Alivio bed models
- Mounts using mobile brackets for secure attachment
- Adjustable positioning along the bed frame
- Improves safety during bed transfers
