

## KCARE ALIVIO BED FOLDING BEDRAIL SHORT

**\$619.00**

**SKU:** KA3200BRS

## PRODUCT DESCRIPTION

### Purpose & Benefits

The **KCare Alivio Bed Folding Bedrail Short** is designed to provide safety and support while allowing easier access to and from the bed. At 750mm in length, this shorter rail is ideal for users who require partial coverage and a more compact solution. The fold-down design ensures convenience during transfers and care routines.

### Features

- Short folding rail, 750mm in length
- Provides support and fall prevention
- Fold-down function for easier transfers and accessibility
- Durable construction suited to homecare environments
