\$804.00

SKU: KA3200BRL

PRODUCT DESCRIPTION

Purpose & Benefits

The **KCare Alivio Jannali Bed Bedrail Long (Pair)** provides extended side support and safety for users. Designed to reduce the risk of falls, these folding rails allow secure assistance when getting in and out of bed, while also offering convenience with their fold-down function.

Features

- Supplied as a pair of long folding rails
- Provides additional safety and fall prevention
- Fold-down design for easier access and transfers
- Durable construction to suit homecare environments
