PRODUCT DESCRIPTION

PURPOSE & BENEFITS

The KCare Deluxe Bedside Maxi Commode is a high-quality, comfortable, and practical solution for individuals who require a bedside toilet due to mobility limitations or recovery from surgery. This commode is designed to offer convenience, dignity, and ease of use for both the user and caregivers.

FEATURES

- **Sturdy Construction:** Built with durable materials, this commode is designed for stability and long-lasting use, providing a secure and safe seating option.
- **Comfortable Design:** It features a wide and padded seat, enhancing comfort for users, especially those who may need to sit for extended periods.
- **Easy-to-Clean:** The commode is designed with hygiene in mind, featuring a removable pail and materials that are easy to clean and maintain.
- **Adjustable Height:** The height of the commode can be adjusted to suit different users and bed heights, ensuring a comfortable and ergonomic fit.
- **Discreet Appearance:** The design resembles that of a regular chair, providing a more discreet and dignified option for bedside care.
- **High Weight Capacity:** Engineered to support a higher weight limit, making it suitable for bariatric users.
- **Armrests for Support:** Includes armrests to assist with transfers and to provide additional support and comfort while seated.
