

KCARE DELUXE RECHARGEABLE MUSHROOM TOUCH LAMP

\$26.00

SKU: TLMBLK

PRODUCT DESCRIPTION

Purpose & Benefits of KCare Deluxe Rechargeable Mushroom Touch Lamp

The **KCare Deluxe Rechargeable Mushroom Touch Lamp** is a sleek and practical lighting solution designed to enhance safety and visibility around the home, especially during the night or in low-light areas. Its modern mushroom-style design and touch-sensitive control make it both stylish and easy to use, particularly for individuals with limited dexterity or vision.

Featuring three adjustable brightness levels and a built-in rechargeable battery, this lamp is ideal for bedrooms, bathrooms, or hallways where convenient, cordless lighting is needed. It promotes falls prevention by reducing the need to fumble for switches in the dark, providing quick illumination with just a simple touch.

Key Features:

- Touch-sensitive control for easy operation
- Three brightness settings to suit various needs
- Cordless and rechargeable for portable use anywhere in the home
- Stylish mushroom design blends into any room decor
- Ideal for use on bedside tables, in bathrooms, or during night-time mobility

- Supports falls prevention by improving night-time visibility
- Lightweight and easy to move from room to room
